### THE JAIME FAMILY

#### BACKGROUND

Both Eric and Tiffany Jaime are teachers who dreamed of owning their own school. They wanted to purchase the Montessori Children's House in Midland. Using Wirt's Equity Builder™ Program Eric and Tiffany were able to receive 100% financing to purchase the school. Their dream of purchasing the Montessori Children's House was made possible through the help of Wirt.

The Montessori Children's House offers a culturally enriched environment, with state-of-the-art learning tools. Voted Michigan's Best by the Governor's Quality Care Community, Montessori Children's House is a private preschool/kindergarten. They offer classes for ages 2 1/2 - 5 years and a before & after school childcare program (*Clubhouse*) for children ages 6-10 years. These classes run from September to June.

The Montessori Children's House was established in 1988 at 5200 Jefferson Ave. in Midland, Michigan. Their mission is to enhance the lives of children and their families through peaceful, diverse education where children respect and appreciate themselves, humanity and the community in which they live.
