

**** Press Release ****

The Wirt-Rivette Group, formally Wirt Financial & Leasing Services, expands their presence with two locations in the Great Lakes Bay Region.

Wirt Financial & Leasing Services has been serving clients for over 25 years. In recent years, our programs and services have expanded to provide integrated finance and consulting solutions for our clients.

These programs and services will be available through The Wirt-Rivette Group. Affiliates in the group will focus on specific services such as equipment financing, property financing, property management and consulting. Our new name reflects the affiliated companies which will serve our clients' business growth needs.

In addition to our new organization and name, we will have two locations to serve clients and business colleagues. We will be relocating our main office to 3520 Davenport Ave. Saginaw, MI 48602. Our Bay City office will be relocated to 114 N. Tuscola Rd. Bay City, MI 48708.

While our name and locations may be changing, our service and dedication to our clients will continue to be of the utmost importance to our organization. We are proud to call the Great Lakes Bay Region home.

We will begin serving clients from our new locations on October 4, 2010. Please stop in and visit our new locations and check out our unique "business-to-business" reception area at our main office in Saginaw.

Sincerely,
